Today's Speaker
Stephen Budiansky,
Author of "The Bloody Shirt"

Larry Warren introduced Journalist and military historian, Stephen Budiansky was today's speaker.

He is the author of 14 books and was on hand at Vienna Rotary to talk about his latest publication, "The Bloody Shirt: Terror After Appomattox."

He opened his talk by noting that it is an axiom of historical journalism that "history [of wars] is written by the victors." But the premise of Mr. Budiansky's new book is that this was not the case with the history of the aftermath of the Civil War as written by Southerners.

In fact, much of what was written concerning the decade after 1865 was "an inversion of the truth," he said.

During this period "there was violence against blacks and the whites who supported them," but this was largely ignored by writers who portrayed the Reconstruction Period as a time of Northern domination and corruption by those known as "Carpetbaggers." As a result, "historical truth was distorted," Budiansky said.

His book is designed to help set the record straight. "We can't right wrongs of the past but we can recover the truth," Budiansky told Vienna Rotarians.

Vienna Rotary Club Debuts on Television

Cameras from C-SPAN were on hand to record today's presentation by author Stephen Budiansky, for future broadcast. The speech and subsequent questions posed by Rotarians will air on C-SPAN's Book TV.

The Rotary banner was shown behind Mr. Budiansky throughout his presentation. Visit www.c-span.org and click Schedules which opens a drop-down menu. Then click "Book TV Schedules" for broadcast dates and times.

McLean Rotarians Assist Orphanage in Swaziland

Written by Stacey Marin
Falls Church Press On-Line

After leading a Group Study Exchange team in southern Africa last May, McLean Rotarian Lois Wilson became determined to raise money to help children orphaned because of HIV/AIDS. The McLean Rotary Club, with help from the Vienna Rotary Club, the Herndon Rotary Club, Rotary District 7610 and The Rotary Foundation, raised money to benefit the Sandra Lee Centre in Swaziland. Because of Wilson's effort, 12 solar water heating panels were installed at the Sandra Lee Centre. These will provide hot water for 78 people. Wilson is the incoming president of the Rotary Club of McLean.

Tornado Ravaged Iowans Need Rotary Help

On Tuesday of this week PDG Jack Martin of Florida District 6990 contacted the governors in the area impacted by Sunday's tornados in Iowa and Minnesota. Minnesota did not respond but he did receive the following from DG Dick Moeller in District 5970 in Iowa. Please share the information with your clubs if you feel that it is appropriate. Evidently a community fund, not managed by Rotary, has been set up at a local bank.

Please do what you can ASAP. Cash is preferable at this time so victims can get some of the basics not covered by Red Cross & Salvation Army. Please try to keep a running total of your clubs contributions because sometime in the future we want to be able to tell Rotarian's of Parkersburg how much the rest of us care.
